

Chrissie Keane
Standards Officer, NSAI

Chrissie has responsibility for organising Irish interest in over 40 different subject areas, including General Healthcare devices, Electrical Medical Devices and Health Informatics.

Previously with NSAI, Notified Body, Chrissie was a lead assessor for thirteen years following thirteen years in management of Quality and Regulatory Affairs in both Pharmaceutical and Medical Device industries.

Chrissie is available to answer your questions relating to Healthcare Standards by emailing chrissie.keane@nsai.ie
