

1. **I.S. EN 60068-2-6:2008**
Environmental testing -- Part 2-6: Tests - Test Fc: Vibration (sinusoidal)
2. **I.S. EN 61158-4-1:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-1: Data-link layer protocol specification - Type 1 elements
3. **I.S. EN 61158-4-2:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-2: Data-link layer protocol specification - Type 2 elements
4. **I.S. EN 61158-4-3:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-3: Data-link layer protocol specification - Type 3 elements
5. **I.S. EN 61158-4-4:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-4: Data-link layer protocol specification - Type 4 elements
6. **I.S. EN 61158-4-7:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-7: Data-link layer protocol specification - Type 7 elements
7. **I.S. EN 61158-4-8:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-8: Data-link layer protocol specification - Type 8 elements
8. **I.S. EN 61158-4-11:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-11: Data-link layer protocol specification - Type 11 elements
9. **I.S. EN 61158-4-12:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-12: Data-link layer protocol specification - Type 12 elements
10. **I.S. EN 61158-4-13:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-13: Data-link layer protocol specification - Type 13 elements
11. **I.S. EN 61158-4-14:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-14: Data-link layer protocol specification - Type 14 elements
12. **I.S. EN 61158-4-16:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-16: Data-link layer protocol specification - Type 16 elements
13. **I.S. EN 61158-4-17:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-17: Data-link layer protocol specification - Type 17 elements
14. **I.S. EN 61158-4-18:2008**
Industrial communication networks - Fieldbus specifications -- Part 4-18: Data-link layer protocol specification - Type 18 elements

15. **I.S. EN 61158-4-19:2008**

Industrial communication networks - Fieldbus specifications -- Part 4-19: Data-link layer protocol specification - Type 19 elements
