Benefits of NSAI Standards Committee participation

**NSAI Quality Management Standards Consultative
Committee (QMSC)**

NSAI QMSC's role

- Ireland's voice for quality management standards
- Representative national expert committee
- Liaison with TC 176
- Submissions on revisions to standards
- Participation in voting on standards
- Influencing standards development
- New work item proposals
- Quarterly meetings

What's in it for me?

- Broader knowledge of the suite of international standards
- Networking with peers (we all have the same problems)
- Exposure to the standards development process and the nuances of context
- Enhanced understanding of the requirements of the new/revised standards
- Free lunch once a quarter!
