|-----------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-----------------|--|
| I.S. EN 54-7:2018                       | Fire detection and fire alarm systems - Part 7: Smoke detectors - Point smoke detectors that operate using scattered light, transmitted light or ionization                                                                            | CEN         | 9/16/2018       |  |
| I.S. EN 1073-1:2016+A1:2018             | Protective clothing against solid airborne particles including radioactive contamination - Part 1: Requirements and test methods for compressed air line ventilated protective clothing, protecting the body and the respiratory tract | CEN         | 9/16/2018       |  |
| I.S. EN 1885:2018                       | Feather and down - Terms and definitions                                                                                                                                                                                               | CEN         | 9/16/2018       |  |
| I.S. EN 2475:2018                       | Aerospace series - Steel 30CrNiMo8 (1.6580) - Air melted - Hardened and tempered - Bar for machining - De $\frac{\sigma}{\sigma_R}$ 100 mm - 1 100 MPa $\frac{\sigma}{\sigma_R}$ Rm $\frac{\sigma}{\sigma_R}$ 1 300 MPa                | CEN         | 9/17/2018       |  |
| I.S. EN 4840-001:2018                   | Aerospace series - Heat shrinkable moulded shapes - Part 001: Technical specification                                                                                                                                                  | CEN         | 9/17/2018       |  |
| I.S. EN 6049-001:2018                   | Aerospace series - Electrical cables, installation - Protection sleeve in meta-aramid fibres - Part 001: Technical specification                                                                                                       | CEN         | 9/17/2018       |  |
| I.S. EN 6049-003:2018                   | Aerospace series - Electrical cables, installation - Protection sleeve in meta-aramid fibres - Part 003: Braided, tubular, expandable - Product standard                                                                               | CEN         | 9/17/2018       |  |
| I.S. EN 12131:2018                      | Feather and down - Test methods - Determination of the quantitative composition of feather and down (manual method)                                                                                                                    | CEN         | 9/16/2018       |  |
| I.S. EN 13451-10:2018                   | Swimming pool equipment - Part 10: Additional specific safety requirements and test methods for diving platforms, diving springboards and associated equipment                                                                         | CEN         | 9/16/2018       |  |
| I.S. EN 14596:2018                      | Tanks for transport of dangerous goods - Service equipment for tanks - Emergency pressure relief valve                                                                                                                                 | CEN         | 9/16/2018       |  |
| I.S. EN 17093:2018                      | Domestic appliances used for drinking water treatment not connected to water supply - Jug water filter systems - Safety and performance requirements, labeling and information to be supplied                                          | CEN         | 9/16/2018       |  |
| I.S. EN 17110:2018                      | Tanks for transport of dangerous goods - Service equipment for tanks - Vapour manifold vent valve                                                                                                                                      | CEN         | 9/16/2018       |  |
| I.S. EN 17115:2018                      | Entertainment technology - Specifications for design and manufacture of aluminium and steel trusses                                                                                                                                    | CEN         | 9/16/2018       |  |
| I.S. EN 60137:2017/AC:2018-08           | Insulated bushings for alternating voltages above 1 000 V                                                                                                                                                                              | CENELEC     | 9/18/2018       |  |
| I.S. EN 60404-2:1998/A1:2008/AC:2018-08 | Magnetic materials - Part 2: Methods of measurement of the magnetic properties of electrical steel strip and sheet by means of an Epstein frame                                                                                        | CENELEC     | 9/18/2018       |  |
| I.S. EN 60939-3:2015/AC:2018-08         | Passive filter units for electromagnetic interference suppression - Part 3: Passive filter units for which safety tests are appropriate                                                                                                | CENELEC     | 9/18/2018       |  |
| I.S. EN 62386-101:2014/A1:2018          | Digital addressable lighting interface - Part 101: General requirements - System components                                                                                                                                            | CENELEC     | 9/18/2018       |  |
| I.S. EN 62676-3:2015/AC:2018-08         | Video surveillance systems for use in security applications - Part 3: Analog and digital video interfaces                                                                                                                              | CENELEC     | 9/18/2018       |  |
| I.S. EN IEC 63093-6:2018                | Ferrite cores - Guidelines on dimensions and the limits of surface irregularities - Part 6: ETD-cores for use in power supplies                                                                                                        | CENELEC     | 9/18/2018       |  |
| I.S. EN ISO 8434-1:2018                 | Metallic tube connections for fluid power and general use - Part 1: 24° cone connectors (ISO 8434-1:2018)                                                                                                                              | CEN         | 9/16/2018       |  |
| I.S. EN ISO 11296-3:2018                | Plastics piping systems for renovation of underground non-pressure drainage and sewerage networks - Part 3: Lining with close-fit pipes (ISO 11296-3:2018)                                                                             | CEN         | 9/16/2018       |  |
| I.S. EN ISO 18451-2:2018                | Pigments, dyestuffs and extenders - Terminology - Part 2: Classification of colouring materials according to colouristic and chemical aspects (ISO 18451-2:2018)                                                                       | CEN         | 9/17/2018       |  |
| I.S. EN ISO 23999:2018                  | Resilient floor coverings - Determination of dimensional stability and curling after exposure to heat (ISO 23999:2018)                                                                                                                 | CEN         | 9/16/2018       |  |
| S.R. CEN/TS 17153:2018                  | Ventilation for buildings - Correction of air flow rate according to ambient conditions                                                                                                                                                | CEN         | 9/16/2018       |  |
| S.R. CWA 16458-1:2018                   | European ICT professionals role profiles - Part 1: 30 ICT profiles                                                                                                                                                                     | CEN         | 9/17/2018       |  |
| S.R. CWA 16458-2:2018                   | European ICT professionals role profiles - Part 2: User guides                                                                                                                                                                         | CEN         | 9/17/2018       |  |
| S.R. CWA 16458-3:2018                   | European ICT professional role profiles - Part 3: Methodology documentation                                                                                                                                                            | CEN         | 9/17/2018       |  |
| S.R. CWA 16458-4:2018                   | European ICT professional role profiles - Part 4: case studies                                                                                                                                                                         | CEN         | 9/17/2018       |  |
