Fees and Invoicing

NSAI will invoice the applicant/Approved Installer at the address specified in the application form for:

- Annual registration.
- Surveillance audits.
- Additional audits (if required).
- Sampling/testing (if required).

The schedule of fees is shown below. Non-payment of fees will result in withdrawal of the approval and in the removal of the installer from the list of registered installers.

Fee Classification*	
Application and assessment fee for single approved External Insulation System	€2200**
Application and assessment fee for each additional approved External Insulation System	€1100**
When completed on same day as Registration/Surveillance audit	€550**
Application and assessment fee for each additional crew (i.e., Supervisor)	€1100**
When completed on same day as Registration/Surveillance audit	€550**
Annual Registration fee per approved External Insulation System	€100
Annual Surveillance audit fee	€1100**
Annual Surveillance audit fee for each additional system	€550**
Annual Surveillance audit fee for each additional crew	€550**
<p>* All charges are subject to VAT at current rate ** The above fees are based on the assumption that the assessment will require at least one site visit to be completed, and are subject to change based on the number of audits to be conducted, number of crews to be assessed etc. NSAI reserves the right where an assessment is protracted or where additional audits are required for reasons beyond its control to charge additional fees.</p>	

The application fee is non-refundable.
