

NSAI

NSAI Approved Thermal Modellers Scheme Certificate of Competency

This is to certify that

Gary O'Sullivan

NSAI

1 Swift Square

Northwood

Santry

Dublin 9

Is competent to thermally model junction details and calculate their linear thermal transmittance.

NSAI certifies that the aforementioned candidate has been assessed and deemed competent to thermally model construction junction details and to calculate their linear thermal transmittance as per the requirements of the NSAI approved Thermal Modellers Scheme.

Approved by:
Sean Balfe
Director Sustainability and Built Environment

Registration Number:	IAB/TM/14
Original Registration:	28/11/2017
Last amended on:	28/11/2017
Valid from:	28/11/2017
Remains valid to:	28/11/2018

This certificate remains valid on condition that the competent Thermal Modeller maintains an Approved Quality Management System, as outline in the scheme document, is maintained in an adequate and efficacious manner.

All valid certifications are listed on NSAI's website – www.nsai.ie. The continued validity of this certificate may be verified under "NSAI Approved thermal Modellers Scheme"
