

NSAI

NSAI Agrément Approved Thermal Modellers Scheme

Certificate of Competency

This is to certify that

Mark Magennis

has been assessed and deemed competent to thermally model construction junction details and to calculate their linear thermal transmittance as per the requirements of the NSAI Agrément approved Thermal Modellers Scheme.

Approved by:
Sean Balfe
Director of NSAI Agrément

Registration Number:	IAB/TM/01
Original Registration:	02/10/2012
Last amended on:	02/10/2012
Valid from:	02/10/2012
Remains valid to:	02/10/2013

This certificate remains valid on condition that the competent Thermal Modeller maintains an Approved Quality Management System, as outline in the scheme document, is maintained in an adequate and efficacious manner.

All valid certifications are listed on NSAI's website – www.n Sai.ie. The continued validity of this certificate may be verified under "NSAI Approved thermal Modellers Scheme"
