

NSAI

NSAI Approved Thermal Modellers Scheme Certificate of Competency

This is to certify that

Raymond O'Reilly

Quinn Building Products Limited

187 Ballyconnell Road

Derrylin

Co. Fermanagh

BT92 9GP

Is competent to thermally model junction details and calculate their linear thermal transmittance.

NSAI certifies that the aforementioned candidate has been assessed and deemed competent to thermally model construction junction details and to calculate their linear thermal transmittance as per the requirements of the NSAI approved Thermal Modellers Scheme.

Approved by:
Sean Balfe
Director Sustainability and Built Environment

Registration Number:	IAB/TM/20
Original Registration:	09/07/2019
Last amended on:	09/07/2019
Valid from:	09/07/2019
Remains valid to:	09/07/2020

This certificate remains valid on condition that the competent Thermal Modeller maintains an Approved Quality Management System, as outline in the scheme document, is maintained in an adequate and efficacious manner.

All valid certifications are listed on NSAI's website – www.n sai.ie. The continued validity of this certificate may be verified under "NSAI Approved thermal Modellers Scheme"
