### **Disclaimer**

Inclusion on this list is verification that NSAI have carried out an audit on the installer and are satisfied that they substantially meet the requirements of the CAVITY WALL SCHEME. NSAI take no responsibility for the work of the installer. Construction projects can be complicated in nature and it is recommended that third party advice be sought from a competent professional with relevant experience prior to entering into any contract for works. NSAI cannot and will not intervene in any dispute between parties.
