

As part of World Standards Day 2018, we invite children to draw a robot for the future. The most creative entry will win a robot hand for their class.

Ready, set, draw!

Standards make the world safer, cleaner and more efficient. Name one standard that this robot will need:

(If you need any help with this section, check out NSAI.ie.)

Name: _____ Age: _____

School Name: _____

Send your entry to the National Standards Authority, Swift Square, Northwood, Dublin. 9 by November 30th, 2018 or email it to info@nsai.ie.
Terms and conditions apply.
